

## Wedding Providers

We are happy to assist in any way with support services and can recommend service providers in each of the following areas if required.

- Accommodation
- Photography
- Wedding Cake
- Entertainment
- Transport
- Flowers
- Insurance

We can highly recommend nearby accommodation and can arrange transport from and to your overnight venue.

We also recommend that you take out wedding insurance to cover unexpected circumstances.

## Entertainment

We have facilities for a disco or a live band and a dance floor. We also have a sound system which can be used to play your own choice of music.

Please note that we are happy to host your reception without the marriage ceremony. For further information and photographs, please visit our website at [www.thebustardinn.co.uk](http://www.thebustardinn.co.uk) or give us a call on 01529 488250.

## Exclusive Use of the Premises

For large numbers of guests, ie 50 or more, we recommend exclusive use of the premises for which there is no hire charge but there is a minimum charge. If evening entertainment in the form of a disco or live band is to take place, exclusive use is highly recommended.

This family run business guarantees first class service and the dedicated front of house staff will ensure that your very special day is a happy, carefree and memorable occasion.

## The Venue

The Bustard Inn is a unique and beautiful historic building with a lovely courtyard, delightful beer garden, stone walls, beamed ceilings, tapestry chairs and many other original features and is the perfect venue for a very special occasion. We believe everyone's wedding day should be arranged to suit the wishes of the bride and groom and to meet all their requirements and that is exactly what The Bustard Inn offers, providing outstanding value without compromising on quality. There are no set wedding packages but, instead, individual bespoke arrangements can be planned with exceptional attention to detail.

## The Marriage Ceremony

If you decide to hold your marriage ceremony at The Bustard Inn, please provisionally reserve that date with us and then book a Registration Officer at Lincolnshire Registration & Celebratory Services to attend the ceremony. You can contact their Customer Service Centre on 01522 782244.

Marriage ceremonies at The Bustard Inn can take place at any time, depending on availability, between 10.00am and 5.00pm. The standard ceremony lasts approximately 30 minutes while enhanced ceremonies last slightly longer.

## Dining

Up to 60 guests can be seated in the main restaurant for the wedding breakfast and substantially more can be accommodated for a buffet meal. We offer an extensive choice of menus for your special day.

Our award winning team of chefs, who specialise in serving exceptional food to large parties, will prepare delicious dishes for you and your guests. We have no standard menus for weddings but offer a bespoke package to meet your budget and your requirements. You can choose a set menu or we can offer up to three options per course. We cater for all dietary requirements with prior notification. We can also provide further refreshments later in the evening for extra guests if required. Children are very welcome.

## Drinks

Wines and champagne can be chosen from our extensive wine list which can be viewed on our website. We can also serve speciality drinks or cocktails, eg. Pimms or mulled wine, as well as a large range of real ales, lagers, spirits and soft drinks.

We can also set up a tab behind the bar, if you wish, to be settled at the end of the evening.
